Birmingham Newman University

At Birmingham Newman University, we believe in the power of education to transform lives and in the potential of every individual. Our vision is to provide an inclusive and supportive environment where people are recognised, encouraged, and empowered to make a meaningful difference in their communities, industries, and the wider world.

Students, staff, and partners are more than just a number – they are recognised, encouraged, and empowered to create meaningful change. We believe that education is transformative, enabling students to see the world in new ways and to make a positive difference within it.

Building upon our Catholic heritage since 1968, Birmingham Newman has grown into a modern, inclusive university that welcomes people from all backgrounds and world views. Our values remain central to everything we do, serving as a foundation for a vibrant, diverse, and forward-looking academic community. We are proud of this heritage and continue to champion fairness, equality, and opportunity in everything we do.

We take pride in our diverse, friendly, and inclusive environment, where every student is valued, supported, and encouraged to achieve their goals. We put student success and wellbeing at the centre of everything we do, made possible by the expertise and professionalism of our dedicated staff community. Our future is shaped by a clear vision and a set of goals that reflect both our mission and our ambition, to be **the leading university in inclusive education for the graduate workforce of tomorrow**. At the heart of this is our commitment to a **values-driven, high-quality university education**.

Our focus on partnership with students and staff underpins everything we do, and this is reflected in national recognition of the quality of our student experience. We have recently been named The Times and Sunday Times University of the Year for Social Inclusion (2026), ranked 1st in England for Student Satisfaction in the Complete University Guide (2025), and named West Midlands University of the Year by WhatUni (2025). We are proud to be among the top UK universities for widening participation, coming 6th in the HEPI Social Mobility Index (2024). Ninety-nine per cent of our students come from non-selective state schools, 72% are the first in their family to attend university, and over 45% come from Black, Asian, or minority ethnic backgrounds. This diversity is a strength of our community and central to our mission.

Over the past ten years our modern single-site campus, eight miles southwest of Birmingham city centre, has benefited from a significant programme of ongoing capital investment. We have built teaching, learning, and social spaces that are deliberately
